General Statement of Professional Experience (written by firm)

Barba + Wheelock Architecture, Preservation + Design is a women-owned professional architectural firm located in Portland, Maine that is dedicated to the philosophy that the fabric of the past is an integral part of the future. The firm was established with a commitment to preserving the best of New England's heritage while providing sustainable building solutions for the future. While known for historic preservation projects such as the reuse of the Hathaway Center in Waterville, the firm also designed the first LEED Silver Certified state-owned building in Maine, the new Brewster Hall at Governor Baxter School for the Deaf in Falmouth. Our staff includes licensed architects and LEED AP's.
